UPPER COUNTY BENEFITS FROM SOAKING RAINS

Soaking rains fell on most of Pennsylvania Tuesday to alleviate near existing drought conditions on Pennsylvania farm crops, the State Department of Agriculture said today following Federal-State surveys.

Described as a "multi-million dollar rainfall," the same conditions were reported from all areas of the Commonwealth.

The rainfall probably helped most in Upper Adams County where drought conditions were not as bad as elsewhere and where many used irrigation during much of the dry period.

Amounts of rainfall varied with some areas getting up to 1 1/2 inches, but farmers were unanimous in declaring that three inches of rain were needed soon to bring back pastures and some other crops.

At the Arendtsville laboratory slightly more than one inch of rain, 1.01 inch, was recorded. So far in July 1.96 inches of rain has fallen in Arendtsville, 87/100 of an inch on July 9 and 5/100 of an inch on July 7.

Crops were expected to take an upward turn with corn and vegetable crops and fruit said to be "rejuvenated." It was the first statewide rainfall reported by the U. S. Weather Bureau since July 13 when scattered amounts of rain fell across most of the state.

Harvest Some Wheat

Meanwhile, farmers during the weekend Monday were combining oats in most of the state while wheat was being harvested in northern areas. Corn tasseled in the north and its growth was reported good. Farmers in the southeast said crops were hurt by hot and humid temperatures. Sweet corn in this same area also was in poor condition. Ears were reported smaller than average as high temperatures and drying winds depleted moisture from the soil.

The condition of pastures last week was below average because of excessively high temperatures. Some farmers in the southeast were reported using winter feed supplies because of short pastures. The second cutting of hay was said completed in southern counties and hay crops in northern counties were in good condition.

Early season varieties of peaches are appearing on local markets. Fruit sizes have been affected because of the prolonged dry period. Rain on Tuesday was expected to help production and fruit sizes.

Temperatures for the remainder of the week are expected to average slightly below normal in the north and about normal in southern areas. Scattered showers and thunderstorms were forecast for the middle of the week.

Elias Church Plans Lawn Party Saturday

The Elias Evangelical Lutheran Church, Emmitsburg, will hold a benefit buffet ham supper and lawn festival on Saturday on the church grounds. Suppers will be served from 5 p.m. on. The lawn festival will begin at 7:30 o'clock and will feature a country store with home-grown and home-baked products, second-hand and rummage bargains, and other activities. Entertainment will be provided by "Grandpa Shank" and his amateur troupe and there will be pony rides for the youngsters.

In event of rain the affair will be held in the parish hall.

Choir rehearsals will be discontinued until September 3 at the Elias Church. The August altar committee consists of Mrs. Clara Harner, Mrs. Robert Saylor, Mrs. D. L. Beagle and Mrs. Irwin Brown. Acolytes for August are Wendell Shank and John Krom.

More Than 10,000 Here Over Weekend

More than 10,000 visitors came to Gettysburg over the weekend, the largest two-day visitation this year, the National Park Service office reported today.

ROCKET FIRED 50 MILES HIGH

FT. CHURCHILL, Man. (AP)—The third successful scientific rocket to be fired from this northern Manitoba launching site soared to a height of more than 50 miles last night.

The rocket was launched as part of the United States' participation in the International Geophysical Year.

During the latter part of the flight, signal grenades exploded from the rocket's nose cone at 10-second intervals.

Slower Than Other

Officials said it reached a speed of about 3,850 feet a second. An Aerobee II, was about 2,000 feet a second slower than the giant Aerobee Hi that soared to an altitude of 160 miles July 4.

Another Aerobee was fired Monday night. It climbed about 55 miles.

Each rocket carried 19 grenades in its nose cone. The grenades were fired from the nose at 10-second intervals from heights of more than 30,000 feet. As each grenade exploded the flash was recorded by ballistic cameras on the ground. The time the sound of the explosion takes to reach the earth enables scientists to calculate the density of the air at various heights.

Today's Talk

KEEP GIVING

If you keep giving to a savings bank it is amazing how your account will grow. It's the same with our personal lives—if we keep giving, not in money or material gifts, but of yourself, we learn one of the substantial investments that we can make in life. We can't possibly give without getting in return far more than we expected, or even hoped to get.

Keep giving yourself away. That will mean reinvesting your life. That is the way to become really rich and genuine happy. Material happiness can be wiped out in a day, whereas spiritual happiness can last forever. Each one of us gets out of life proportionately what we put into life. Love is a commodity, unlike any other. It is never seasoned with selfishness. It thrives upon itself. It is the healthiest and happiest thing in this world.

Keep giving, even when people may say it is foolish and unbecomingly. When love gets a hearing people listen. It has the quality of movement to it, radiating in all directions. You see it everywhere, if you are keen in heart hearing. Nature is filled with it. Outside my window, as I wrote, was a nest of swallows. I watched the mother giving food to the youngsters. Then one day all left that bird house home. They had been instructed, and flew away in an hour. I wonder how they are all making out.

The love instinct is forever alive in beast, bird and man. Even in flowers, too, I believe. Even the stars at night send out their beams and seem to tell everyone to have faith, to believe, and to keep giving of the best that we are and have.

Tomorrow Mr. Adams will talk on the subject: "Standby Friends" Protected, 1957, by The George Matthews Adams Service.

Just Folks

THAT'S LIFE
Mary was rich and Henry was poor; Mary was out when he came to the door.
Mary in raiment expensive was clad;
A navy blue suit was the best Henry had.

Mary was pretty and Henry was plain.
Henry loved Mary, but always in vain.
Mary had money that flowed in a stream;
Henry to boast of had only a dream.

Since what's in the future nobody can say,
In time it may frequently happen this way:
Henry worked on till his fortune was won,
And Mary was bride of a millionaire's son.

Now Henry is older and long settled down;
He has twice been elected the mayor of his town.
And Mary keeps telling the millionaire's lad
That Henry's the husband that she could have had.

Judge Fined For Traffic Violation

CHAMBERSBURG, Pa. (AP)—Judge Chauncey M. DePuy, of the Franklin County Court, paid a fine of \$10 and \$5 costs Monday afternoon on a traffic violation charge.

The judge paid the fine to C. C. Schultz, justice of the peace of nearby St. Thomas, on a charge growing out of a collision on July 18 on the Lincoln Highway two miles west of St. Thomas. Stanley Saydock, of the state police, charged Judge DePuy failed to yield half the right-of-way to oncoming traffic. Police said the judge left the lane of traffic when one of two cars ahead slowed down and collided with another car traveling in the opposite direction. No one was injured.

GROUP TO STUDY NEW PLANS TO EASE U.S. BURDEN

HERSHEY, Pa. (AP)—Eight governors and a committee of federal officials named by President Eisenhower will meet here Aug. 9-10 to consider how the states can assume some functions now borne by the national government.

Eisenhower made the decentralization proposal June 24 at the annual Governors' Conference in Williamsburg, Va. A resolution adopted by the conference directed Gov. William J. Stratton of Illinois, conference chairman, to name a governors' committee and asked Eisenhower to appoint a group to meet with it.

The state group members are Govs. Lane Dwinell, New Hampshire; Victor E. Anderson, Nebraska; James P. Coleman, Mississippi; Price Daniel, Texas; George Docking, Kansas; George M. Leader, Pennsylvania; and Robert E. Smylie, Idaho. Stratton is a member ex-officio.

Federal Committee
Named to the federal committee by the President were Robert Anderson, Secretary-designate of the Treasury; chairman; Secretary of Labor James P. Mitchell; Marion B. Folsom, secretary of health, education and welfare; Percival Brundage, director of the budget, and presidential assistants Howard Pyle, Meyer Kestbaum, and Maj. Gen. John S. Bragdon.

In his speech Eisenhower asked state leaders to join with the federal administration in setting up "a task force for action" which would have these objectives:

Designate functions that the states are ready and willing to assume and finance that are now performed or financed wholly or in part by the federal government; to recommend the federal and state revenue adjustments required to enable the states to assume such functions; identify functions and responsibilities likely to require state or federal attention in the future and to recommend the level of state effort or federal effort, or both, that will be needed to assure effective action.

"It is important that we encourage all levels of government to examine closely their respective responsibilities—the sooner, the better," Leader said in a statement at Harrisburg. He will act as host at the meeting.

Report Caesar And Imogene Coca Rejoin

NEW YORK (AP)—Sid Caesar and Imogene Coca are reported planning a TV reconciliation this fall. The comedy team split up three years ago amid tears, confusion and explanations.

The New York Herald Tribune reported Tuesday that Caesar has confirmed he is dickering for a new half-hour show with Miss Coca.

"It will be a condensed form of Caesar's Hour," he was quoted as saying. "I'm not at liberty to say at this time where it'll be shown because nothing's been finalized as yet."

"I'm happy that Imogene will be with me."

Miss Coca is currently appearing at Detroit in a road show of the play "Janus." Caesar's show was dropped by NBC last month because of dwindling audience ratings.

Reds Send Another Letter To England

LONDON (AP)—Soviet Premier Bulganin has sent another long letter to Prime Minister Macmillan on the subject of disarmament and other world problems.

The letter is now being translated and studied, an official British source said. No details of the letter were disclosed immediately.

The letter presumably was in reply to one from Macmillan a month ago urging agreement on a limited, first-stage, disarmament pact to help prevent "the third and final tragedy of world war." Macmillan himself had been replying to a Bulganin letter.

RUSSIA PUTS ON TANK, AIR SHOW FOR EGYPTIANS

CAIRO (AP)—Egyptian President Nasser took the salute for three hours Tuesday while Soviet-built tanks and guns rolled past in a massive military parade on the fifth anniversary of the revolution which overthrew King Farouk.

There were no great surprises in the arms display, although the proportion of Soviet-built equipment was far greater than in last June's parade.

Russian-supplied MIG fighters and Ilyushin jet bombers streaked across densely packed Republic Square at rooftop level. The air show was all Soviet.

Red Rocket Launchers
Unveiled for the first time in Egypt were Russian rocket launchers and rapid firing anti-aircraft guns. Egyptian officers said the AA guns were used in the defense of Cairo against the British-French attack last fall.

Missing from this year's parade were the big displays of French light tanks and British heavy tanks seen in previous years. Large numbers of these were casualties in the Israeli-British-French invasion last fall and are being replaced by Soviet weapons.

Nasser reviewed the troops from a special platform with the army commander in chief and war minister, Maj. Gen. Abdel Hakim Amer, at his side. On the main stand were Canadian Maj. Gen. E. L. M. Burns, commander of the U. N. Emergency Force, along with foreign diplomats and special Arab visitors invited to attend the four-day anniversary celebration.

Open Nasser Parliament
Opening Egypt's hand-picked new Parliament Monday night, the first since Farouk's overthrow, Nasser said his regime is pushing ahead rapidly with its land reform program and Egypt "at last is keeping pace with the times."

As a breakdown in the air conditioning kept deputies and the speaker mopping brows, the President said his government has appropriated 800,000 acres for distribution of landless peasants, with 282,650 acres already parceled out to 68,737 families.

Egypt plans to go ahead on its own with the first phase of the Aswan high dam project, Nasser said, despite the withdrawal of Western aid.

ASKS CATHOLIC CHURCH TO AID ATOM BOMB BAN

MADISON, N.J. (AP)—The honorary president of the World Council of Churches has called on the Roman Catholic Church to act together with the council in urging a ban on all weapons of mass destruction, including the hydrogen and atom bombs.

Dr. George K. A. Bell, Episcopal bishop of Chichester, England, said: "The fact of such a message, uttered by the voices of the whole Christian world at the same time, would be something new in the whole experience of Christendom."

Lack Common Code
Speaking at the opening meeting of a five-day Ecumenical Institute on the Drew University campus, Dr. Bell said the challenge of the 20th Century is the need for some common ethic to counter totalitarian systems. Dr. Bell noted that the lack of common moral code has come to be taken for granted.

In addition to calling for the prohibition of mass destruction weapons, the council and the Roman Catholic Church should speak out simultaneously in urging the cessation of subversive or aggressive acts by one country toward another, Dr. Bell said.

Conference Open To All
The conference, sponsored by nine seminaries in cooperation with the World Council of Churches, is open to clergymen and laymen of all denominations and is devoted to the general theme, "Frontiers of World Christianity."

Sponsoring the conference in addition to Drew University are the C. R. Theological Seminary, Chester, Pa.; Divinity School of the Protestant Episcopal Church, Philadelphia, General Theological Seminary, New York; Lutheran Theological Seminary, Mount Airy, Pa.; New Brunswick (N.J.) Theological Seminary; Princeton (N.J.) Theological Seminary; Temple University School of Theology, Philadelphia, and Union Theological Seminary, New York.

DENIES BOOKS TO AUDITORS

HARRISBURG (AP)—State Treasurer Robert F. Kent has refused to give the records of a special fund in the Department of Labor and Industry to a private accounting firm hired by the state.

Andrew M. Bradley, formerly Gov. Leader's budget secretary, announced June 12 that Yaverbaum and Co., Harrisburg public accountants, had been hired to make an audit ordered for transfer of the fund from the department's Bureau of Employment Security.

John R. Torquato, Cambria County Democrat, was dismissed from office as head of the department.

ment for his handling of the fund. Kent said his action was based on a new law giving the auditor general the responsibility of auditing the fund "from time to time."

Both Kent and Aud. Gen. Charles C. Smith are Republicans. Smith asked Kent, as state treasurer, to take charge of the records pending completion of his own audit.

The new law, which became effective May 31, calls for the auditor general to audit the accounts and books of the unemployment compensation fund, special administrative fund and administrative fund under the unemployment compensation law.

LIE DETECTOR TEST REFUSED BY GOVERNOR
COLUMBUS, Ohio (AP)—An irritated Erie Stanley Gardner, whose hopes of getting a lie detector test for Dr. Samuel Sheppard were shattered by Ohio's governor, says he is going to drop all further efforts to aid the convicted wife-slayer and "get the hell out of here."

Visibly irked by the decision of Gov. C. William O'Neill to cancel a proposed lie test for Sheppard, the mystery story writer declared on his arrival here Monday: "We are just going to pick up the pieces and go back to making a living. We are just going to get the hell out of here and we are not coming back unless pressure from readers of the Court of Last Resort is so great that we must."

Reverses Decision
Gardner and other members of the "court" received permission from O'Neill Friday to administer the lie test to the 33-year-old osteopath, convicted of the July 4, 1954, blue-eyed-murder of his pregnant wife Marilyn in their Bay Village home.

O'Neill authorized the test after Donald J. Wedler, 23, held in Deland, Fla., on a burglary charge, admitted slaying a woman under circumstances resembling the Sheppard case.

On Monday, however, O'Neill reversed his decision and canceled the lie test after the "court" informed him that Wedler's statement may be "just plain deception."

Bristling over the latest development, Gardner emphasized at a news conference in the Desher Hilton Hotel here that he will "absolutely not" see the governor.

Army Cuts Draft Call To 8,000 Men

WASHINGTON (AP)—The Army announced Tuesday it is cutting its September draft call to 8,000 men, compared with a quota of 11,000 in August.

A Defense Department announcement said "the lower level of calls reflects the decision to reduce the number of personnel in the armed forces, announced July 16 by the secretary of defense."

Secretary Wilson said then that strength of the armed services would be cut by 100,000 men over a six-month period.

The Pentagon announcement emphasized that "draft calls for the Army will not be eliminated in the near future because of the reduced strengths."

Laborer Hanged Despite Protests
DURHAM, England (AP)—A 22-year-old laborer was hanged for murder Tuesday despite efforts by parliamentary and religious groups to prevent Britain's first execution since August 1955.

John Wilson Vickers of Carlisle went to the gallows in the Durham jail for killing 72-year-old Miss Jane Duckett, a grocery store proprietor, during a robbery. Vickers was the first person executed under the new British homicide law which provides capital punishment only for certain degrees of murder.

KNOWLAND SAYS IKE SUPPORTS RIGHTS GOALS

WASHINGTON (AP)—Sen. Knowland (R-Calif.) said after a White House conference Tuesday that President Eisenhower is supporting the fourfold objectives of the administration's civil rights bill now under attack in the Senate.

Knowland, the Senate minority leader, said Eisenhower's position remains as it was stated in a written statement last week.

In the statement, Eisenhower said he hopes the bill will provide for protection of civil rights in general, as well as voting rights. He also called for establishment of a civil rights commission and a new civil rights decision in the Justice Department.

Knowland said Eisenhower's reiteration of this position at a meeting with GOP congressional leaders could be interpreted as indicating the President opposes efforts to narrow the bill's scope to provide only for protection of voting rights.

This issue has been put before the Senate by Sens. Anderson (D-NM) and Aiken (R-Vt) with an amendment to strike out the provision of the House-passed bill aimed at enforcement of racial integration and other civil rights decisions.

Buhl And Podres Hurl Braves And Dodgers To 1-0 Victories; Mantle Clouts 465-Foot Homer

By ED WILKS
The Associated Press
Pitching, the asset that made Milwaukee and Brooklyn heavy pennant favorites in springtime, now has begun to edge the Braves and Dodgers ahead of the pack in that shimmering National League race.

Since the All-Star Game break, the Braves have belted back into the lead by winning 10 of 14, and they've received six complete games in the rally. The Dodgers, winning 11 of 13 in that same span, have had only two complete games from their staff, but have had the depth to provide a winning bullpen.

Pitching was the highlight again last night, with Bob Buhl trimming Philadelphia's failing Phils 1-0 on a two-hitter to retain the Braves one-game lead over Brooklyn. Johnny Podres five-hit St. Louis in a 1-0 Dodger victory that dropped the third-place Cards 2½ games back.

Bucs Down Redlegs
It was a good day for pitching all around. Pittsburgh's Vern Law worked through 14 1-3 innings as the Pirates defeated fourth-place Cincinnati 6-3 in 15; and last-place Chicago beat the New York Giants 4-0 as Dick Drott spiced a four-hitter with 14 strikeouts.

In the American League, New York's Yankees built a 5½-game lead with a 10-6 job on Chicago's second-place White Sox as Mickey Mantle became the first AL slugger to hit for the cycle—home run, triple, double and single—since 1932.

Allows Two Hits
Buhl, a 27-year-old right-hander, gained an 11-6 record. He struck out six, walked four and permitted only an infield roller by Harry Anderson in the fourth and a sixth-inning single by Ed Bouchee.

The Braves made it on Del Crandall's single and Johnny Logan's triple in the second off Curt Simmons, who went all the way. The Dodgers managed only three hits, all off Sam Jones. Singles by Gil Hodges and Rube Walker sandwiched two walks to get the run across the second inning.

5th Shutout For Podres
Podres, a 24-year-old southpaw, scored his fifth shutout of the season for an 8-3 record. He walked only one, fanned three and got Stan Musial on an inning-ending double-play ball with runners on third and first in the sixth.

Bob Skinner, who hit two home runs, got the Pirates started in the three-run 15th with a single, moving up on an error by losing reliever Brooks Lawrence and scoring the winning run on Dick Gro's single. George Crowe's 23rd homer made it 2-all in the ninth.

Drott, a 21-year-old right-hander, just missed the season strike out high of 15 he set against Milwaukee but walked only one for his ninth victory and third shutout.

Clubs 465-Foot Homer
Mantle hit a three-run triple to win it for the Yankees in a five-run seventh. He also hit a 465-foot homer, his 26th. Art Ditmar was the winner in relief. Jack Harshman lost his fifth.

Frank Sullivan managed to shut out the A's despite a 10-hitter for a 9-6 record. Virgil Trucks lost it, with the Red Sox scoring in the fourth on an error and singles by solo.

Martin And Clark Vote For Amendment
WASHINGTON (AP)—Pennsylvania Sens. Joseph Clark (D) and Edward Martin (R) voted yesterday for an amendment to the civil rights bill that would have required a presidential directive before the attorney general could intervene in certain civil rights cases. The amendment was defeated.

The two Keystone State senators also voted on the same side in rejecting another amendment authorizing the attorney general to intervene in cases where individuals complain a conspiracy exists to thwart court orders in civil rights cases. This amendment also was defeated.

Escape Expenses Are More Than His Loot
OLEAN, N.Y. (AP)—A thief who robbed a jewel store Sunday has since spent more to make his getaway than he took in the robbery. Police totaled up the expenses of the fleeing robbery and found he'd spent more than \$215 to escape with less than \$150.

They said the man fled when the manager found him in the store. An Olean taxicab driver later told police a man who fitted the robber's description gave him \$100 to drive him about three miles to the town of Allegany.

Eastern League

By THE ASSOCIATED PRESS
The Allentown Chiefs, running last in the Eastern League, enter the list of the first-place Schenectady Blue Jays tonight.

Schenectady is on the long end of an 11-3 record against the Chiefs. George Aitken, with five victories against seven losses, is the probable Allentown starter.

Second-place Binghamton goes to Springfield with a favorable history of eight won and six lost against the Giants. Reading, running third, meets the Albany Senators at Albany.

No games were scheduled last night.

NEW CHANGE-UP IS MONEY PITCH FOR BOBBY BUHL
By CHUCK CAPALDO
MILWAUKEE (AP)—Bobby Buhl has a reputation for being a fast ball pitcher, but his change-up has been the money pitch for him and the National League leading Milwaukee Braves this season.

The black-haired Braves' right-hander from Saginaw, Mich., used his newly perfected pitch to cut down the Phils 1-0 on only two hits last night for his 11th victory against six defeats. It was the Braves' seventh triumph in their last eight starts and the Phils' seventh loss in their last eight games.

The heavy-browed Buhl still has a fast ball and, if anything, it's better than ever because he has the change-up to go with it. A change-up by the way, that he keeps low.

Has More Control
"The change-up gives me another pitch," Buhl explained after last night's game. "When they're looking for the fast ball, I come in with the change and vice versa."

"I threw the change last year," continued Buhl, who bagged 18 victories in 1956 for his best record in the majors, "but the difference is I get it over now."

"In this game you learn a little every year. This year, I've learned how to control the change. And I'm not afraid to throw it, no matter what the count is."

Buhl, who issued four walks to run his league leading total to 82, struck out six and permitted only one runner to reach second base.

4th Win Over Phils
It was his fourth victory over the Phils without a loss this season and lowered his earned run average to a crisp 2.89.

Over in the Phillies' clubhouse, third baseman Willie Jones described Buhl as "the best right-hander in the league as far as I am concerned—I just can't seem to hit him."

"That change-up definitely is the pitch that makes him so good," said the man known as Puddinhead. "You look for the fast ball and he slows up on you. When fast ball pitchers learn to throw the change, they're real tough and, brother, Buhl's got it down pat."

Summer Weather Is Back In Some Areas
By THE ASSOCIATED PRESS
Rain fell in some Southern and Western areas but pleasant summer weather prevailed in most other sections of the country today.

The season's longest heat wave was broken in most of the Eastern half of the nation. However, some Southern areas didn't get the full effects of the cool air which brought relief to the sweltering millions.

The rain belt which stretched from the middle Mississippi Valley eastward to southern New England yesterday moved southward and extended from the lower Mississippi Valley through Tennessee and the middle Atlantic Coast states.

RAIN WIPES OUT BASEBALL TILTS; PLAY TONIGHT

Rain Tuesday wiped out baseball in the Adams County area, and thus set up a number of games for tonight, on a postponed basis.

Tonight at 6:15 o'clock, on Recreation Field, the Lions will meet Rotary in the final game of the Little League schedule—a game originally scheduled for Tuesday night.

Also as a result of the rain, the Gettysburg Little League All-Stars will complete in the district tournament at Newville Thursday afternoon at 4 o'clock, with Gettysburg meeting Dillsburg. Originally that game had been scheduled for tonight, but was postponed a day because of the postponement of Tuesday's tilts.

Gettysburg softball league's games were wiped out by the rain. Biglerville is now planning to play Duffy-Mott on Friday evening and the Elks versus News Agency contest will be held at a date as yet undecided—but probably early next week. Tonight the regularly scheduled Moose versus Biglerville contest will be played at Recreation Field.

Three Games Tonight
The Upper Adams Little League had its games washed out Tuesday and as a result there will be three games played tonight, with the Yankees versus the Phillies at Bensenville; the Red Sox versus the Cardinals at Biglerville and the Pirates versus the Braves at Arendtsville.

Bonneauville was scheduled to play Littlestown Tuesday evening in a game previously postponed from July 19, but the rain prevented that. South Penn baseball league contest from being played.

Also wiped out by the rain were the Fairfield Lions League contest scheduled for Tuesday evening: Fairfield versus Orrtanna and Cash-town versus Mummansburg.

MICKLEY MANTLE HITS FOR CYCLE FIRST SINCE '52
By JOE REICHLER
NEW YORK (AP)—They're pulling out the tape measure again for Mickey Mantle.

The ceremonies will take place sometime today before the game between the New York Yankees and Chicago White Sox.

Mantle came within two rows of wallowing the ball out of the deepest center field portion of the stadium last night.

The estimated 465-foot home run highlighted the Yankees' 10-6 triumph over the White Sox. Mickey got three other hits, a single, double and bases-loaded triple to become the first American Leaguer since 1955 to hit for the cycle.

His 26th homer of the season came in the third inning while the switch-hitting slugger was batting left-handed against right-hander Bob Keegan.

The ball landed in the next-to-last row of the center field bleachers, some 5 rows deep to compare favorably with some of the other titanic home runs Mickey has hit in his 6½ years with the Yankees.

"It was one of the hardest balls I've hit left-handed," acknowledged Mantle, who believes he has more power batting right-handed. "I wouldn't say, though, that it was the hardest ball I ever hit."

By THE ASSOCIATED PRESS
PITCHING—Bob Buhl, Braves allowed only two singles, one an infield roller, struck out six and walked four in 1-0 victory over Philadelphia.

HITTING—Mickey Mantle, Yankees became first American Leaguer to hit for cycle since 1952, belting his 26th home run and unleashing three-run triple that beat White Sox 10-6 while regaining AL bat lead at .367.

received radio and TV sets at the union's expense. Robert F. Kennedy, committee counsel, said the committee would explore at least \$100,000 worth of items charged to the union in what he termed flagrant "misuse of U.I.W. funds."

Kennedy said the total includes \$57,000 of union money used in the purchase of plush new homes for Valente and Klenert in 1952. Most of the other items, he added, represent things for which the union paid in the last three years. He said the union has destroyed its financial records covering periods before that.

Klenert told reporters he thought some of the items might have been bought and paid for by a recently discontinued "expense allowance" under which, he said, he and Valente were authorized by the union to spend up to \$6,500 a year each for any purpose—to buy gifts for others or for themselves. He said he thought most of the items were given to persons who did favors for the union.

MACHEN FACES BAKER TONIGHT

CHICAGO (AP)—Undeclared Eddie Machen, working his way towards a heavyweight title shot, takes on bulky Bob Baker of Pittsburgh tonight at the Chicago Stadium.

Machen has a string of 21 victories, 14 by knockouts and is a solid 3-1 choice over Baker in the 10-round nationally televised bout over ABC, 9 p.m. EST.

The speedy, 25-year-old Machen, of San Francisco, is currently ranked the No. 2 contender behind Hurricane Jackson who meets champion Floyd Patterson for the world title Monday night.

Machen has little to gain and everything to lose against the unranked Baker who at 31 has a 47-10-1 record with 19 knockouts.

"I think Machen and his manager Sid Flaherty are crazy to take this fight," Baker said. "I know I can beat Machen which probably will put me back in the contenders' list. So I'm glad they're crazy."

James MARLOW Reports
The Associated Press
WASHINGTON (AP)—This is the story of how three Southern senators found three big talking points to cause division and surprise among supporters of President Eisenhower's civil rights bill.

There would seem hardly any reason for surprise if members of Congress, North and South, had done their homework by reading a lawbook for no more than 30 minutes.

The three Southerners who developed the talking points, all Democrats, are Senators Russell (Ga.), Ervin (NC) and Eastland (Miss). They got a big helping hand from Robert Young, a lawyer on the staff of Eastland's Judiciary Committee.

Their three points: Russell—This bill would permit the President to use troops to back up court orders in civil rights cases. Eastland—under this bill people could be compelled to be informers. Ervin—The bill would deprive a man of trial by jury.

Cites Old Law
This is the background for what follows: There is an old 1871 law—called Section 1985—which says anyone whose civil rights are violated can sue in federal court for damages or ask a judge to order the violation stopped. This law covers a very broad field of civil rights.

Many Southern Negroes, particularly the poorest, never heard of the law and, if they did, couldn't afford a court fight. So the Eisenhower bill proposes: Section 1985 should be amended to let the attorney general step in and ask for a court order to stop a civil rights violation. Anyone disobeying could be tried for contempt by the judge, without jury trial, and sent to jail.

Finds U. S. Code
If you took the trouble to go into a law library and ask the clerk to let you see the civil rights laws, you'd find three pages of them listed together in what is called the U. S. Code—meaning a collection of laws still on the books.

Two of them apply directly to Section 1985 and therefore—since the Eisenhower bill would amend Section 1985 by adding new powers to it—they would apply to the bill if it became law.

One says the President can use troops to back up a court order issued under Section 1985; the other says—and it's called the "Compulsory Informer Act"—that anyone even knowing of a conspiracy to violate a person's civil rights under Section 1985 must tell the government or face damages.

But when Atty. Gen. Brownell appeared before the House Judiciary Committee in 1956 and 1957—when the bill was being considered—no one questioning him asked about the use of troops and compulsory informers.

Questions Brownell
But it was different when Brownell appeared before the Senate Judiciary Committee. Young had taken the trouble to look up the old civil rights laws which—in addition to Section 1985—might be affected by Eisenhower's bill.

He told Ervin, Ervin let Young question Brownell about the use of troops and how it was directly tied in with the old law to be amended. Brownell blew up, refused to discuss it, even when Ervin chimed in, and said it was an affront to the President.

On July 2 Russell made a biting speech against the bill, noting the use-of-troops tie-in with it, and denounced it as cunning and devious. This even seemed to be news to Eisenhower, who then began to act puzzled about his bill.

Meanwhile, Young told Eastland of the tie-in between the Eisenhower bill and compulsory informers. Eastland on July 11, pointing up the compulsory informer angle, yesterday the Senate voted unanimously to repeal the old law on the use of troops.

INDUCT PAIR INTO BASEBALL HALL OF FAME

By JACK HAND
COOPERSTOWN, N. Y. (AP)—Looking back over 43 years of baseball stretching from Wilmington, Del. to a niche in the Hall of Fame, Joe McCarthy summed up his thoughts in a few brief words.

"Gee I wish I could do it all over again."

Sentiment brought tears to the eyes of Samuel "Wahoo Sam" Crawford, as the 77-year-old former outfielder also was formally inducted into baseball's Hall of Fame, Monday in this historic village.

"I've come a long way to this day," he started. "I want to thank all my friends. I had a speech to make but I don't believe I can go through with it."

Chisox Win Game
The two new members were received officially by Commissioner Ford Frick on a wooden platform that had been built under the shade trees in front of the Hall of Fame and baseball museum. The shirt-sleeved crowd jammed Main Street from curb to curb and overflowed onto the steps of the post office.

In a few hours these people would be among the 9,000 at Doubleday Field, baseball's birthplace to watch the St. Louis Cardinals get drubbed, 13-4, by the Chicago White Sox in the annual Hall of Fame Trophy Game. But now all eyes were trained on the platform where McCarthy and Crawford were being honored.

"When a player reaches the Hall of Fame," said McCarthy, "he doesn't have too many to thank. For the most part, he did it on his own. But a manager has so many people to thank."

Mrs. Gehrig There
Marse Joe, who won eight pennants with the New York Yankees and one with the Chicago Cubs and never finished worse than fourth in 24 years as a manager, named them all. He thanked the owners, coaches, trainers, writers, umpires and players.

"Most responsible of all for my being here are the great players," said McCarthy. "And God knows, I had my share of the good ones. I won't try to list them all because I would not want to forget and leave somebody out."

Glancing toward Mrs. Lou Gehrig, widow of his former first baseman, McCarthy said, "Seeing you brings back many a sad memory but also a lot of happy ones."

Thanks Newsmen Too
McCarthy turned to Cal Hubbard, American League Umpire Supervisor, and thanked his profession. When the crowd laughed, Marse Joe flashed a bit of his Irish wit and said "not that they ever give you the best of it."

The 70-year-old "gentleman farmer" from East Amherst, N.Y. also pointed out the newsmen who first suggested he might be a manager.

"In 1912 at Wilkes-Barre, Tom Brislin wrote a story saying I might make a manager," said McCarthy. "Bill Clymer gave me the job after he read the story."

Others Who Helped
McCarthy listed Bill Veeck, Sr., and Phil Wrigley of Chicago, Col. Jake Ruppert, Ed Barrow and George Weiss of the Yanks and Tom Yawkey, Eddie Collins and Joe Cronin of the Red Sox as front office men who made his job easier.

McCarthy broke into baseball with Wilmington in 1907 and retired because of poor health as Boston manager in 1950.

Crawford a power hitter in the dead ball days, had a lifetime batting average of .309 in 19 years with 2,964 hits. He still holds the record for most triples with 312 in his career.

COMMANDERS TO PLAY HERSHEY
HERSHEY, Pa. — The Commanders, one of the newer orchestras in the dance band field, come to Hershey Park's Starlight Ballroom on Saturday evening with Warren Covington, formerly of Les Brown's band, as their leader.

Covington recently replaced Eddie Grady as director of the Commanders, following a stint with the Arthur Godfrey show as arranger and guest trombonist.

The Commanders, like so many of the more recent bands to achieve popularity, began as a recording group. When their record sales began soaring, demands began to pour in for the group to play dance dates.

Much of the band's success is due to the arrangement genius of Camarata, whose work with the late Jimmy Dorsey in creating "Green Eyes" and "Amapola" stamped him as one of the top musicians in his field. It was Camarata's ability to create a new sound in dance music that lifted the Commanders to their present top position in disc jockey polls.

Red McCarthy and His Orchestra, of Harrisburg, will play a return engagement in the park bandshell on Sunday afternoon and evening.

Lynn Christie, a native of Lebanon, who recently completed a singing engagement at the Copa Night Club in Miami, Fla., will appear with McCarthy as soloist. Concerts are scheduled from 2 until 4 and 7 until 9 o'clock.

Local Tennismen Lose To Chambersburg

Gettysburg's public Teen-age tennis team was defeated here Sunday in a match with a team from Chambersburg by a score of 5 to 2.

Rodney Steinour and Ed Nowicki were the only winners among the local players. Steinour beat T. Havens 6-4 and 6-3 while Nowicki defeated C. Foster 6-1 and 6-2.

Sidney Steinour of Gettysburg lost his singles match with D. Frantz 6-4 and 6-4 while Charles Lightner took the first set from J. Cvee only to lose the next two and the match.

Barbara Hiber of Gettysburg lost a girls' match to B. Frantz 6-2 and 6-1.

In the doubles Sid Steinour and Lightner lost 6-3 and 6-4 to Foster and Cvee.

100 LAP RACE AT GROVE TRACK
WILLIAMS GROVE, Pa. — National championship midget auto racing will come to the Williams Grove Speedway Sunday afternoon for the first time this season when a 100-lap feature race will provide a test of stamina and staying power for both men and machine.

The century grind, longest race of any type staged on the half-mile oval so far this year, will climax a full card of racing which will also include a semi-feature and three heat races from which drivers will shoot for a starting berth in the main event which will see at least 25 midgets take the green "go" flag.

Time trials will be eliminated from the program, with drivers starting in the various events handicapped by their previous performances in the four sprint cards staged on the oval so far this year.

Roy Richwine, owner of the track, said that due to the importance of the race and the larger purse being offered, fans can expect the largest field of the season.

"We not only expect to see all the chaffers who have competed in the midget races so far this year," he stated, "but also additional drivers from throughout the east and many of the top-flight chaffers who have been riding the banked tracks in the mid-west."

SAYS PRO-GRID NEEDS RESERVE CLAUSE, DRAFT

WASHINGTON (AP)—Commissioner Bert Bell of the National Football League told Congress today pro football needs both a player draft and a reserve clause to survive.

Bell said in testimony prepared for the House Antitrust subcommittee that without these and other "equalizing" practices "the highly competitive and colorful sport that we know today would come to an end."

He contended the Supreme Court's decision holding pro football subject to antitrust laws "jeopardizes the continued existence" of the game.

Bell was the kickoff witness as the subcommittee delved into football as part of its investigation of the legal status of pro sports enterprises.

Ruling Forces Inquiry
The Supreme Court's football ruling last winter touched off the inquiry. While declaring football open to antitrust regulation, the court left unchanged previous decisions exempting baseball.

Now the subcommittee headed by Rep. Celler (D-N.Y.) wants to determine whether all professional team sports should be treated alike by legislation—either within or without the antimonopoly statutes.

Bell said football would be "pleased to see" Congress enact bills that would either declare pro sports wholly free of antitrust controls or immune except for purely commercial activities.

Opposes Celler Bill
But he opposed a bill by Celler that would have the effect of blanketing all professional sports under antitrust legislation and court rulings.

Financially, Bell said, pro football is a "small operation . . . primarily an avocation." Gross receipts for the league's 12 clubs in 1956 totaled less than 13 million dollars, he reported. Combined net profit after taxes was \$530,399, he added, for an average of about \$44,000 per club.

While the Supreme Court did not get down to particular practices, Bell said its football decision posed a question as to the legality of the player selection system, reserve clause, the commissioner's power and club territorial rights.

He called these "essentials" and said they should be specifically exempted from antitrust jurisdiction.

Bragan To Pilot Cuban League Club
HAVANA (AP)—Bobby Bragan, manager of the Pittsburgh Pirates, again will manage the Almendares Blues in the Cuban Winter Baseball League after a 3-year lapse. Monchy de Arcos, general manager of the Blues, made the announcement today.

Bragan led Almendares to the championship twice during a 3-year span in 1953, 1954 and 1955.

Bragan's salary was not disclosed, but it is known he received \$9,000 for his last season with Almendares in 1955. The Cuban season opens in October.

Bob Steele's Wild West Show Set For South Mountain Fair

A wild west show and rodeo, "Bob Steele's Frontier Days" has been engaged for daily presentations at this year's South Mountain Fair, W. Clayton Jester, director, announced today. The fair will open at 6 p.m. on Tuesday September 3 and continue through Saturday, September 7.

Present plans call for additional bleachers to be placed at the horse show ring at the fairground to permit 2,000 to be seated for the presentations of the western show.

Jester also announced agreement had been reached with the Holstein Breeders Association for construction of a 100 by 40 foot barn at the fairgrounds. Under the plan the fair association will provide the lumber and the breeders the labor to construct the new structure for the Holstein exhibit at the fair.

Install Wash Rack
A "wash rack" of concrete will also be installed, to permit exhibitors of cattle to clean their animals properly after they have been brought to the fairgrounds.

Because of the western show there will be no stage show at the fair this year, Jester said. Instead the auditorium, as last year, will be given over to the exhibits of fruit growers and processors plus commercial exhibits. It is anticipated that some free shows will be presented from the stage of the auditorium in conjunction with the merchants and businesses exhibiting in the auditorium. Last year there were regular commercial movies shown, plus talks and demonstrations and it is expected similar programs will again be given this year.

Upper Adams Lions are considering constructing a roof over the area where meals are served and games played beside the main office at the fairgrounds. For a number of years the Lions have placed a tent there in which to serve the meals.

Premium Changes
A number of changes have been made in the premium list, including a special class in the photography exhibit for pictures of fruit and

farm scenes in Adams County. Thursday evening the board of directors of the fair association will meet at the grounds and a meeting of the "fair family" directors and committee officials is to be called "about the first week of August," Jester said.

Reports so far show "everything progressing nicely toward the biggest and best fair we've ever had," Jester added. He said it is anticipated that all commercial space will have been sold "long before fair time."

Six Marines Injured Fighting Forest Fire

LAKEHURST, N. J. (AP)—Six Marines were injured fighting a forest fire which threatened a housing development and two factories before it was brought under control early Tuesday.

The blaze consumed 1,000 acres of parched scrub pine and hardwood. It was declared under control and almost out at 11:45 a. m. by the central Jersey fire warden, Bernard C. Bartlett.

Three of the Marines, assigned to the Naval Air Station here, were hospitalized with second and third degree burns. They were identified as Maj. E. E. Kafer, commander of the Marine Barracks; Lt. Thomas F. Kelner, executive officer, and Pfc. John Frederickson.

No home towns are available. Three other Marines were treated at the base infirmary and dismissed.

Court Asked For Change Of Venue

SALEM, Ill. (AP)—The Marion County court has under consideration petitions filed by attorneys for a young Pennsylvania couple charged with murder seeking a new location for their trial.

The petitions, filed Monday night, state the lawyers' opinion that 26-year-old Robert Baker and his wife, Trudy Jo, 17, can not receive a fair trial inside the seven-county area here.

The couple is charged with the shooting of Marine Pvt. Larry Kirk, 21, of Winslow, Ind., last December. His body was found near Salem.

The Bakers, whose home is in Wormleysburg, Pa., were arrested in Prosser, Wash., on charges of tampering with an auto. Police said the young couple then confessed to the Kirk murder.

4-H CLUB, F.F.A. TO HOLD JUNIOR "STEER SHOW"

A 4-H Club and Future Farmers of America junior steer show has been added to the first Pennsylvania Open Livestock Exposition to be held in Harrisburg at the State Farm Show building, November 12-16, it was announced today.

Buff L. Coleman, show manager, said \$3,505 has been provided from the more than \$75,000 premium list for the junior show which is expected to attract youngsters showing outstanding cattle from many eastern states.

The Livestock Exposition is being held for the first time in the Keystone State under the co-sponsorship of the Pennsylvania Livestock and Allied Industries Association and the State Department of Agriculture. An allocation of \$50,000 for premiums was recently provided by action of the State General Assembly.

The junior show is only one phase of the gigantic exposition billed by State Secretary of Agriculture William L. Henning "to provide one of the biggest boosts ever experienced by the livestock industry in the Commonwealth."

May Win Big Prize
Coleman said it is possible for the winner of the junior show to win the grand championship of the entire show. He added that junior show steers can be purebred, grade or crossbred.

Three prizes of \$1,085 each will go to the 4-H Club or FFA youth showing the best Angus, Shorthorn and Hereford steers. Special breed prizes also will be awarded by the American Angus Association, the American Shorthorn Breeders' Association, and the Virginia Feeder Calf-Yearling Association. A manufacturer of electric watches also will present a wrist watch to the youngster exhibiting the grand champion steer.

The Livestock Exposition will include showing and sales of high quality beef cattle, swine and sheep.

The five-day event will feature a world's champion rodeo in which 200 cowboys will compete for outstanding prizes. The Harrisburg rodeo will be the conclusion of the year's rodeo competition for these cowboys. Six performances will be given at the State Farm Show Building.

GRAHAM ENDS CRUSADE AUG. 10

NEW YORK (AP)—A spokesman for Billy Graham said last night the evangelist will end his New York crusade Aug. 10. The campaign began May 15 and has been extended twice.

Roger Hull, chairman of Graham's local sponsoring committee, said an extension beyond Aug. 10 had been discussed but finally ruled out.

Graham affirmed the decision in his appearance before 15,000 persons at Madison Square Garden last night. He said he and his wife plan a vacation starting about Aug. 15. He gave no location.

At Graham's call 396 persons made "decisions for Christ." That brought the over-all total for the crusade to 35,632. Total attendance rose to 1,218,000.

Last night's crowd of 15,000 was the second smallest of the campaign. The attendance low for the crusade was set May 16, the second day of the revival, when 13,500 showed up.

The Garden seats 18,500.

BATTLE FACES SCHOOL BILL BEFORE HOUSE

By MARTHA COLE
WASHINGTON (AP)—A segregation issue which helped kill a federal school aid bill last year comes up again today in a House already divided over the need for such a program.

Voting was expected to begin today on amendments to a 1½-billion-dollar measure which would authorize 300 millions a year for five years, to be matched on a 50-50 basis by the states, to build needed classrooms.

Proposals to tack on an anti-segregation amendment, opposition on grounds of economy and objections to any federal participation all combined to make chances of final passage uncertain.

May Bar U. S. Aid
Rep. Wainwright (R-NY) said the segregation issue should be kept out of the school construction measure.

to any school district practicing racial segregation in the school-room.

The office of Rep. Powell (D-NY) said he was expected back from a rest and would continue to press for adoption of his own anti-segregation proviso.

Last year Powell was author of an amendment similar to Wainwright's. The House adopted Powell's amendment and then killed the bill.

President Eisenhower has said the segregation issue should be kept out of the school construction measure.

Has 50-50 Chance
Wainwright told a reporter he thought his amendment had a "50-50" chance of passage.

Rep. Roosevelt (D-Calif) announced on the House floor yesterday he would not support the Powell amendment this year. Roosevelt said House passage of the civil rights measure had led him to reverse his stand.

The school bill also would authorize 750 million dollars for purchase of bonds of local school districts unable to find markets at reasonable interest rates, and another 150 million dollars to help the credit of state school finance-

ing agencies. Total federal participation thus would amount to \$2,400,000,000.

VOTE FOR INCREASE
WASHINGTON (AP)—Twenty-seven members of Pennsylvania's congressional delegation voted yesterday to give a \$546-a-year pay increase to postal workers. The bill passed.

All 13 Democrats and 14 of the Republicans from Pennsylvania voted with the majority. Republican Mumma and Simpson voted against the raise, Republican Bush was not listed as voting.

EARTH TREMORS
NEW YORK (AP)—Two fairly strong earth tremors, probably somewhere in the Aleutians, were recorded Monday night on the Fordham University seismograph. The first was recorded at 7:56:03 and the second at 8:05:08 p. m.

York Plant Strike Meeting On Thursday
YORK, Pa. (AP)—Federal Mediator G. Harry Young Tuesday arranged a meeting for Thursday between representatives of the Medusa Portland Cement Co. and the United Cement Lime and Gypsum Workers Union in an effort to end a strike at the York plant.

The strike of 230 workers started on July 3 when negotiations over a new wage contract broke down. The meeting between the two sides will be the first since the walkout was called.

RESOLUTION PROVIDING FOR THE IMPOSING, LEVYING, ASSESSING AND COLLECTION OF A REALTY TAX FOR THE YEAR 1957, IN THE TOWNSHIP OF CUMBERLAND, PENNSYLVANIA, PRESCRIBING THE METHOD AND MANNER OF COLLECTING SAID TAX, PROVIDING FOR CERTAIN EXEMPTIONS AND IMPOSING PENALTIES.

Take notice that a meeting of the School District of Cumberland Township, Adams County, Pa., will be held on Thursday evening, August 8, 1957, at 8:00 o'clock p.m., D.S.T., at its regular meeting place at the residence of the Secretary, R. B. Gettysburg, Pa., at which time said School District intends to consider and take action providing for the imposing, levying, assessing and collection of a realty transfer tax for general purposes. Said levy being necessary by reason of the fact that current revenues of the School District are insufficient to meet the operating expenses of said School District of Cumberland Township. It is estimated that a revenue of \$6,000.00 or more per year will be received by reason of said realty transfer tax.

Littlestown NAMES GROUPS TO HOLD PARTY

The Rev. Fr. William A. Boyle, pastor of St. Aloysius Catholic Church, has announced the appointment of the following committees to serve for the public party Saturday at 8 p.m. in the parish hall. Arrangements, Stewart N. Long, chairman, Thomas French, William Hood, Cyril Klunk, Edward Kress, George A. Kress and Roger Kress; refreshments, Mrs. Thomas French, chairman, Mrs. Lawrence Rexroth, Mrs. Kenneth Sentz, Mrs. Henry Storm, Mrs. Diamond DeHoff and Miss Ethel Cool. Prizes will be awarded and refreshments will be available.

There will be no Masses in St. Aloysius Church this week due to the death of John J. Boyle, brother of the pastor on Monday at the U. S. Veterans Hospital in Lebanon. Rev. Fr. Boyle will be the celebrant at the Solemn High Mass for his brother Thursday morning at 9 o'clock in St. Joseph's Catholic Church, Locust Gap.

Miss Marie Poole, near New Windsor, is spending the week with her cousin, Barbara Muller, at the home of the latter's parents, Mr. and Mrs. Emerson F. Muller, Lumber St.

Mr. and Mrs. Fred Trostle and sons, Jeffrey and Gregory, and Mrs. Trostle's sister, Mrs. Dale Gillman, all of Elmira, N. Y., have returned home after visiting for several days with Mr. Trostle's parents, Mr. and Mrs. Lowell Ruggles, and family, W. Myrtle St., and with other relatives and friends in the community.

Word has been received by their parents of the safe arrival of Petty Officer 3/C and Mrs. Dean Selby in Pearl Harbor, Hawaii. He is the son of Mr. and Mrs. Joseph Selby, near town, and she is the former Betty Wolfe, daughter of Mr. and Mrs. Herbert Wolfe, Frogtown.

Why "Good-Time Charlie" Suffers Uneasy Bladder

Such a common thing as unwise eating or drinking may be a source of mild, but annoying bladder irritations—making you feel restless, tense, and uncomfortable. And if restless nights, with nagging backache, headache or muscular aches and pains due to over-exertion, strain or emotional upset, are adding to your misery—don't wait—try Doan's Pills.

Doan's Pills have three outstanding advantages—act in three ways for your speedy return to comfort. 1—They have an easing soothing effect on bladder irritations. 2—A fast pain-relieving action on nagging backache, headache, muscular aches and pains. 3—A powerful mild diuretic action thru the kidneys, tending to increase the output of the 15 miles of kidney tubes. So, get the same happy relief millions have enjoyed for over 60 years. Ask for new, large, economy size and save money. Get Doan's Pills today!

MONEY AND BANKING In Everyday Living

EVERYWHERE, U.S.A. Mountains, desert, seashore—these and other vacation areas will each attract its share of the travel-minded American public during the coming summer season. And 'most everywhere people travel, mail travels too; so whatever spot you choose, you can still transact your routine banking business with us just as though you were at home. When you stock up for that trip with lotion, sports clothes, sunglasses, and so on, don't forget to lay in a supply of our banking-by-mail forms.

by others; to wit: It is safe to use for instalment buying a third of one's "discretionary income"—the part of income that's left after all necessary expenses have been met. Thus, a reasonable cash margin remains for contingencies. No one rule, of course, fits all individuals and circumstances. If you can use credit for any worth-while purpose, we'll be glad to discuss an economical bank loan.

OUR BANK'S ASSETS? Our statement of condition lists them—except the most valuable of all: The goodwill of our customers. We recognize its importance, however, and recognize the fact that only by giving top-quality service can we continue to deserve it. Getting top service is an asset for you.
